

# Launch Your Project Controls Career: Apply for Our New Scholarship Program

---

The **Project Controls Institute, Australia** is thrilled to announce a scholarship program offering financial assistance (**up to 50% of course fees**) designed to support aspiring project controls professionals. Starting from **May 2024**, we will award scholarships with a focus on building a diverse cohort to qualified applicants enrolled in the **11147NAT Diploma of Project Controls**.

This is a unique opportunity to gain valuable skills and knowledge in project controls at a reduced cost. Each student can apply for the scholarship only once. It cannot be combined with other **Project Controls Institute, Australia** offers or courses. Applications for the June 2024 intake are now open and will close **19<sup>th</sup> May 2024** Don't miss out on this chance!

Contact us at [aus@projectcontrolsinstitute.com](mailto:aus@projectcontrolsinstitute.com) for more information and to apply.

## Criteria

To be eligible for this scholarship, you must:

- ▶ Be an Australian Citizen or Permanent Resident.
- ▶ Enroll to the 11147NAT Diploma of Project Controls by 19th May 2024 to determine if you qualify to be a learner for the course.
- ▶ Submit a statement no longer than 400 words addressing your study/career aspiration and how the scholarship will help you.

## Conditions

- ▶ The scholarship may be subject to revocation if the student is deemed to be making unsatisfactory progress throughout their academic journey or if payments are overdue.
- ▶ Current students are not eligible.

# Application process

To initiate your application process, kindly follow the steps outlined below:
